[linkedin.com/in/shailendrapurohit](https://www.linkedin.com/in/shailendrapurohit)

I'm a Full Stack Developer, well-versed in the Node.js and Angular technology stack, with a solid foundation in MySQL. My expertise lies in crafting end-to-end solutions that seamlessly integrate front-end and back-end components. I excel in designing scalable and secure web applications, consistently delivering innovative solutions that prioritize user experience. Thrives in fast-paced environments and manage tight timelines balancing in-depth studies with rapid iteration to ensure top-quality solutions.

EDUCATION

Post Graduate Diploma in Advanced Computing

CDAC - Bengaluru | Feb 2016 | 71.6 %

BTech in Computer Science

JJET, Jodhpur (RTU Kota) | July 2015 | 75.66 %

Higher Secondary Education (HSC)

Central Board Of Sec. Education | June 2011 | 63.8 %

Secondary Education (SSC)

Central Board Of Sec. Education | June 2009 | 79.20 %
